“ Ardis was so dear to our family. My 2 older kids were in 2 of her plays that she put on in the summer. She was so encouraging to the kids to be creative and to explore. We have missed her and will miss her more. We will look forward to seeing her in heaven again.

“ One afternoon a bunch of us kids were at the Kimballton east bridge. We were swimming and catching bullheads by hand in the rapids that were there. I don't know how old Ardis was but she must have just been in High School. What I remember is how embarrassed she was when Dale drove by. I think she tried to hide under the water.
