“ Barb was funny, smart, and oh so generous! I have been the blessed recipient of several of her out-of-the-blue gifts that were spot on "me." She was a treasure, and I will miss her so much!

“ Barb became the Turner Bear (mascot) after me and if I remember right, her father made the new head for the costume. Barb was so nice and will be sorely missed.

“ A fond memory--Barb and I shared a love of all things Brighton. Whenever she "increased" her collection, she knew I'd delight in seeing each addition. I will miss Barb's infectious smile and warm heart. My sincerest sympathy to all of Barb's family. My heart is aching.

“ She will always be remembered for all the times she shared with her nieces and nephew. I loved all her fun and colorful glasses. A true sign of her personality. She will be missed.

“ So many memories. Kindergarten thru graduation and up to today. There's a pic somewhere of her giving me birthday spankings at my sleepover in the 5th grade. My dad bowled with her dad. Much love to you all!
