“ To the Stokes Family,
I am so sorry to hear of Dorita's passing. I had talked to her and knew she was fighting an awful battle and my prayers were with her. There are so many memories of growing up together on the old hill. Going to Major Hudson and then Rosedale, so many years ago. I pray she is resting peacefully now with our Father in Heaven and that you will all find peace in God's mercy. Our sincerest condolences to you all,
Jean & Bill Donahue (I used to be a Brown)

“ Dee and I reconnected through Facebook over the past 5 or 6 years and found we shared a common heartache. I pray she found peace in dealing with this and I am forever grateful we found this common bond to talk about. I learned of Dee's kind and generous heart and wish we had more time to share.
