“ What moves through me is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you had to leave this earth, or why you left before we were ready to say good-bye, but little by little, I begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. You were the best mother in law ever. A precious grandma to my children.

I will truly miss you. I love you Flo. And I can answer you like this: "I WILL spend eternity with you." Forever my love, Sharron Beck

You were an impact in so many of our family's lives. You were the best. Such a Godly, Christian woman who had a special relationship with Jesus Christ. We celebrate your life. It's what all of us should desire to be. You were our example. Thank you Flo, for everything. I'm going to miss you. I love you.

“ Dear Bro Beck and family, Bro and Sis Clark and Monticello Assembly, We are saddened by the loss of dear, sweet Sis. Beck. We will never forget her love for God and His people, her spirit of hospitality, great cooking, her laughter, her smile, her hugs, the twinkle in her eye, her mischievous side, her quick surrender to the Holy Spirit, and her love of music and worship. We know she will be greatly missed by everyone. We are praying God's sweet covering of peace over each of you - especially, our dear Bro Beck.

Much love and prayers,  
Randy and Robyn Leniger

“ Flo was a wonderful lady. She embodied class and grace working at P&G. She demonstrated her faith in a quiet way everyday. She brought us together. I never heard her say a cross word during my time working with her. She was a blessing to all f us.
