“ As a kid growing up, my first time ever going hunting was with Jack. He took my brother, Phil, and me duck hunting on several occasions. And that smooth walk he had because of his leg. One day my friend. One day!

“ I loved talking with Jack and Darlene in church through the years. Always enjoyed the stories when Jack and Darlene would go on trips with Deloris and Tom they were so funny. Our son Greg Alford always said that.. "Mr Thomas is the BEST Sunday school teacher I every had!!"

“ Uncle Jack took me on my very first airplane ride. He gave me some gum and told me to chew like crazy so my ears would not pop. He was a wonderful man. Makes me sad that I can not take part in the celebrations of his life. See you soon Uncle Jack.

“ My Uncle Jack had a beautiful singing voice, and I remember in church, I was just a wee one probably 5 or 6 and Uncle Jack told me to sit still and asked if I had "ants in my pants"! I have never forgotten it to this day, and it still makes me laugh. He also sang "How Great Thou Art" and that song always resonated with me with Uncle Jack's beautiful voice. I love you Uncle Jack.
