“ Janet,
Thank you for being our dad's (Walt) perfect soulmate for 39 years. That's what you always called him. You guys were like two peas in a pod. We will miss those big hugs you would always give each time we saw you. We love you and will miss you everyday. But we take comfort in knowing we will see you in the forever garden.
Love,
The Peden Girls (DeAnn, Jeanie, Susie, Rosie, and Beverly)

“ It is hard for me to grasp that my dear friend of Over 67 years has left us. But she has joined so many other of our classmates in heaven. Janet and Mike, Jim, Connie were all so dear to me when they were they were in school at Flint --those were fun days as you "kids" grew up. These last years Walt and Janet were part of our group of OHS graduates. We will miss her at the upcoming 65th reunion.
Thank you "Peden girls" for being so faithful and taking such good care of Janet. And for keeping your promise take care of Walt. I know that was a great comfort to her when you made that promise.
Wayne and I will be there and will have Walt at the 65h in June.
Love in Christ

“ Janet was a wonderful mother-in-law. She always greeted me with "There's my boy." She was so sweet and kind to me. The love and devotion she had for Walt was amazing. She had a great capacity to love. I will miss her sweet smile. I promised her we would take care of Walt because that was a big concern of hers that he would be okay. Dad (Walt) we are here for you and always will be. We love you!!

“ Janet was a loving, caring woman who I was fortunate enough to have in my life for 39 wonderful years. She had the ability to see beyond the barriers that others put up. She loved me and my 4 sisters as well as our spouses and children just as a mother does. It was my privilege and honor as well as my husband Craig and daughter Abbys, to be at Janets bedside with my father Walt when she passed away. An extraordinary lady left us and now a beautiful angel watches over us. We love you Janet and as you made us promise you... We'll take care of daddy. You told me he was the stronger one out of the two of you and he would be able to survive your passing because he had the Peden girls to love him through it. Well you were a Peden girl too!! Rest easy....we got this..... No worries. Love always, Beverly
