July 7, 1957 - August 23, 2021

Kathleen (Kathy) Marie Carroll, 64, passed away on Monday, August 23, 2021 at St. Luke's Medical Center. She was born on July 7, 1957 in Kansas City, Kansas to Bill and Peggy Carroll.

Kathleen attended St. John the Evangelist Grade School and was a 1975 graduate of JC Harmon High School. She remained good friends with some of the girls from grade school who would become her best friends.

Kathleen was full of love and laughter and loved spending time with her family. She and her sister, Geri Williams, were extremely close and had an unbreakable bond; she even had one of Geri's kidneys. They went on numerous trips together through-out the years. One of her favorite things was a yearly trip to Branson, Missouri with her family. She loved her Sunday-Funday's at her nephew's house, watching the Chiefs games. Kathy was up for anything and always had fun doing it. She had a great smile that was infectious to everyone around her. She was a very independent, strong-willed woman, extremely kind, and caring and always thinking of others. She was known as Aunt Quacky to her nieces and nephews and she loved them all dearly.

Kathleen had a love for animals, especially cats. She had several through the years.

Kathleen worked as the Property Manager for Berkshire Village Townhouses.

She was preceded in death by her parents, Bill and Peggy. She is survived by her sister, Geri Williams (Kevin), her nephew, Lance Bobki (Angela), her niece, Kelly Bobki (Jared), her great-nephew, Devin Bobki (Alissa), and great-nieces, Adriana Bobki and Isabelle Bobki.

The family extends their heartfelt thanks to Heritage Management Company for their kindness and support to Kathleen during the last 20 years.

“ Kathy was a spit fire and always had a smile. It was always fun to see her supporting her family in whatever they did. I know her mom and dad are hugging her right now.

“ I am so sorry to hear of Kathleen's death. I lived in Berkshire until 2010-2018. She always helped people out if they needed it. I will miss her smile, her stern, but kind and caring personality. I will remember her compassion that she had for the Berkshire community. My heart and prayers goes out to her family.
