“ My condolences to all loved ones  
I had a dream on May 30 that Kevin was bringing me home from football practice  
It was our usual quiet ride not much said we were usually tired  
I got out of the car told him thanks for the ride and stopped and talked to his brothers as usual and then I walked home  
I want to think he was saying his goodbyes to me  
I have strong feelings towards my old neighborhood buddies and Kevin was one of them  
May he Rest In Peace
