“ John and family,  
I am very sorry to hear of Patty's passing. She was so helpful to me after my brother in law, Bob Butters passed away. She helped me navigate and know the in's and out's of keeping his apartment homes in Armourdale up and running. She was so sweet and kind. And John thank you for helping me with Debra's lawn mower when I had it smoking. I have thought about both of you so many times. My sincere condolences to you. She will be missed by so many.

“ John and family,  
I am very sad to hear of Patty's passing. She devoted so many years and selfless energy into the Armourdale community. I will never forget the many meals she prepared and paid for out of her own money for the Optimist Club, and her unending work at the Armourdale Community Center. She will be missed. My condolences, thoughts and prayers to all the family. Debra Butters

“ I am so sad to hear of Patty’s passing. I met Patty at Wolf-ees Restaurant when I invited her to share our table one Sunday morning. From then on, she and John and I became fast friends. She spoke of her love of the Armourdale community. Before long, she had me working alongside her at Armourdale Renewal. I enjoyed learning from her but especially just being her friend. There will never be anyone else like her. Love to all of her family and loved ones. Lisa Boyle
