“ Gonna miss my brother. I remember Victor took me to my first American Royal rodeo. I was about 7 or 8 yrs old. So like 50 yrs ago,... not really. All my big brother's showed me love. He always seemed so proud when he introduced me to people. Yelling over everybody "Hey this is my baby brother!" I always took pride in coming from a family of badassess! (Even the girls) Tell brother Louie I miss him too when you get there! Find peace first. Then find Louie and tell him "Now it's a party!" Don't get too rowdy they might kick you guys out haha. Then they won't let the rest of us Pacheco boys in !!! See you on the other side brother

“ Uncle Victor always seemed proud to introduce me as his niece. He always had my back, always tried to feed me, and loved my kids like they were his grandchildren. I will miss seeing him cruising around the neighborhood on his scooter.
