

William “Billy” Joseph Howard (Kennedy)

January 6, 1995 - March 28, 2020

William “Billy” Joseph Howard (Kennedy), 25, of Kansas City, Missouri passed away March 28, 2020 at his home.

He was born January 6, 1995 in Kansas City, Kansas the son of Mandy Howard and Billy Thomas.

On Sept. 8, 2018 he was united in marriage in Kansas City to his husband, Dyllon Kennedy.

He was an adult model known as Ryan Fields.

William was a burst of energy and carried that energy with him everywhere he went. He was a loving son, brother, uncle, cousin, friend, boyfriend and husband. He loved spending time with his friends and family, and he always had a way with people. His charisma and witty sense of humor drew others in, and his kind heart of gold made many in his life see him as a “big brother.” He seemed to always have the right words to say, whether that be something goofy to cheer you up, or heartfelt to make you feel understood.

William loved to be outside with nature, whether he was fishing or traveling or just hanging out with animals. He loved his pets as if they were any other human in his life. He also took strong interest in art and technology, always wanting to learn something new.

Above all, his career in the adult entertainment industry and acting is what made him most proud. William once said, “growing up, everyone wanted to be something else. All I ever wanted to be was a porn star, and I made it!” He also worked as an automotive technician and enjoyed working with cars.

William was goofy and spontaneous, and would have loved to be remembered as someone who always brought out the best in others and lit up their lives. He was everything and then some, and he was taken way too soon. He will forever be loved, cherished, and missed. Fly high William. We love you.

Including his husband Dyllon, he is survived by his parents and four siblings: Joshua Howard, Laura Burch-Howard, Jessica Burch-Howard, and DeZerea Harmon, as well as his step family.

A memorial service will be held at a later date at the Maple Hill Funeral Home. Memorial contributions are suggested to the Family to help with final expenses. Donations for the

services can be made directly to Maple Hill by calling 913-831-3345.

I miss you dearly billy, you have no idea I can't go thru the day without crying over you... my heart hurts for you.. I hope you are in heaven and with grandma, great grandma, aunt Rhiannon and Jeff
You're such a innocent beautiful soul and I love you so much. You are so perfect in every way and the best big brother a sister could ever have.

“ This young man was everything. He was love, kindness, polite, a gentleman, considerate, helpful, just a good person. It is a shame we did not see this and try to help. Billy, although we only met a couple times. You had a tremendous positive effect on my life. I thank you for that.

“ I am remember so about Billy we worked side by side at State wide security and then we both worked as Auto techs at Walmart....we worked the same shift and I'll never forget one lunch break we took together and got the chicken and mashed potatoes with macaroni and cheese and ended up in a food fight and we had to work the rest of our shift with potatoes and macaroni and cheese all over our uniforms....no matter he was one of kind and unforgettable.
