“ *Live a good life. If there are gods and they are just, then they will not care how devout you have been, but will welcome you based on the virtues you have lived by. If there are gods, but unjust, then you should not want to worship them. If there are no gods, then you will be gone, but will have lived a noble life that will live on in the memories of your loved ones. (Marcus Aurelius)*

Uncle Jr. did live a noble life. Every part of Life that he touched or touched him, he made a little better.

“ *He was always so calm, my grandfather. He went with the flow of life and didn't let things take hold of him. If you strive to be like anyone, be like him.*

I remember years ago when he lived with Grandma Mary my son Sherman was a baby very sick and our car was not running. I called a couple folks for a ride to no avail. I walked up to their house and asked if he would take us to KU. He tossed me the keys to his car and said to use it for the day if needed. He was always so nice!
