

Alejandro Guillermo C. Langle

June 25, 1947 - May 6, 2026

Alejandro Langle, age 78, passed away peacefully on May 6, 2026, surrounded by family.

He leaves behind a legacy of creativity, laughter, and an unwavering belief in the goodness of others. He was a man who truly lived with his heart open, touching the lives of all his family, his students, and everyone who had the pleasure of knowing him.

As a devoted educator, he didn't just teach art—he taught self-worth. Every morning, he greeted his students with the same powerful affirmation: "You are love, you are beautiful, and you are good." His students adored him and frequently invited him to celebrate their milestones, a testament to the lasting impact he had on their lives.

To his wife Paty, he was the answer to her prayers—a man who entered her life and filled her heart when it felt empty, bringing a joy that felt truly meant to be. Their love story began with his unique sense of humor; he once invited her for coffee on the hottest day of the year, a memory they would cherish forever.

Even when illness kept him in bed, his spirit remained unbroken. He never lost his sense of humor and remained a passionate fan of the Kansas City Chiefs, whether enjoying a favorite nap or making jokes.

His love for art was a gift he shared generously with many, especially his grandchildren.

While he is deeply missed, there is comfort in knowing he is reunited in heaven with his beloved parents, brother, and granddaughters. He was preceded in death by his parents, William and Carmen Langle; his brother, David Langle; and his step-granddaughters, Emmelie and Mishanti. He is survived by his wife, Patricia Langle; his children, Kathleen and Alexander Jr.; his stepchildren, Angeles, Adriana, and Evangelina; his numerous grandchildren; and his siblings, Mary Lou Rio, William (Bill) Jr., Edward, Susan Elizabeth Rado, and Carmen (Ninfa) Rodriguez.

“ Uncle Alex will truly be missed. He was also my godfather He was so full of life when I was a little kid I used to go to Chicago for the summers and he used to take me to the beach into the museums. He loved art so much when he would come to Kansas City he would always take me to the Nelson’s art gallery. He was so full of life and so much fun to be around, we used to dance and paint in his basement when I was a kid. My sophomore year in high school he took me to my father daughter dance. I remembered coming back from taking pictures with my friends and there was a circle of people on the dance floor and they were cheering someone on. I walked up to see who it was and it was him dancing in a circle getting the crowd going . when I was older and I moved away., he would always text me or call me to make sure that I was safe when the weather was getting bad when he saw it on the news. Last time I talked to him was his birthday last year and I just moved back to Kansas City and I feel so bad that I hadn’t got a chance to come and see him. I try to get a hold of him on Cinco de Mayo because he was heavy on my heart and I didn’t know why I just felt the need. I had to get a hold of him. may he rest easy now and know that I love him and always miss him and always think of him.
