“ My grandpa was a very generous man, he was hard headed and spoke his mind but he always meant well! He took care of his family. He loved to dance and make grandma mad 😭 we will miss him so much! It's going to be so hard without him but we know he's out of pain and he's with his son in heaven and watching over all of us. I love you grandpa I'm happy you got to meet your great grandson. It sucks you won't be there for your great grand daughter to be born but I know you'll watch over us and a part of you will always be with us. I'm sorry I didn't say I love you enough because I do so much. Thank you for always supporting me even when you didn't want to. You will be missed.
