“ *I can still see that smile and red hair. You were so fabulous. You can now watch down on us all as we do our house cleaning at night while everyone sleeps. Hug my mom and dad for me and give Woody a big ol hug. You will live in our memories always Miss Alice.*

“ So relieved that your journey through Alzheimer's is over. We will continue to fight and pray that someday soon there will be a cure and that the minds of our children and grandchildren will be protected. As sad as we are that you are gone...heaven is a little brighter since you arrived. RIP sweet Alice. You are already missed.

I too am relieved to know that you are not suffering any longer. Also, knowing that you are with Pop now. I am a good person with great morals and values because of you. I couldn't have asked for a better mother. I love you Momma, you will be missed.
