“ *I remember meeting her when Terry brought me over to so he could see Cindy since he had to babysit me. She was always so nice to me and she always has something fixed on the stove tried to feed when I would come over. She was a loving mother. Our sympathy goes to all of you. You will always miss her but the pain gets less over the years. Remember the happy times it makes it easier. I am sure my dad was there to greet her in heaven. You all are in our prayers. Trina Heriford Jeffery and family.*
