“ *I remember a mother who loved her children more than she loved herself. I also remember the kindness she showed to me and treated me as family whenever I visited. I was so pleased to be able to say my goodbyes a bit late but I'm sure she heard them from her place already in Heaven. Alicia has been in my daily prayer intentions since I told her goodbye and embraced her sons with tears for their loss. She will remain in my prayers until I can give her un fuerte abrazo when I see her again in paradise.*
