“ I did not know Allen very well but I have been friends with his sister, Delana for about 40 years and knew that Allen had health problems. I knew that Allen was a fine man, a good husband, father, brother and friend and know that his family will miss him.

In this situation I do not know what to say except that I am so sorry to hear of his death and will keep the family in my thoughts as they go through this sad time.

This a 'GOODBYE to a very considerate friend and person. When i think of Allan , I also think about his dad LEE ,who kept us laughing and intertained most of our young lives. Allan will always be in my thoughts. He made us laugh and saw the humor in so many things, I'D like to think that he is still intertaining anyone and everyone who stopped to say Hello and wished us all well.

“ Aunt Donna, we're so sorry to hear about Uncle Allen...he was one of the best people that a person could have gotten to know. A good hearted man that loved his Lord. We wish we could be there. But know that you and the family are/and will be in our thoughts and prayers Thursday. Love April and Mark Smith
