“ *I miss you so much mom! I still can't grasp that your actually gone. No more phone calls leaving message after message on your machine just telling you how much i love you! No more opening up your cabinets and seeing the look on your face....oh you would get so frustrated with me.....ill never ever ever forget you and how much of an amazing mother you have been to me. i never thought it would feel like this. im terrified to have to be without you ever again! Someday we will be together again. I love and miss you like crazy!!!!!!!!!!!!!!*
