“ Grandpa, I miss you and love you so much. I still remember when you taught me how to spin quarters. I miss sitting in the basement and listening to you play drums. I still remember the last time at the 10 acres when we stayed up talking and watching movies. I just wish I could talk to you, hug you, or see you just one more time. I love you so so much and I hope your living it up in Heaven. I'll keep you in my heart and thoughts forever & always.

Love,
Alaina
