*I met Jerry years ago at Fools Gold on Speaker rd. My first bartending job and I was scared he taught me how to bartend. He had the happiest laugh I had ever heard. He enjoyed life to the fullest. I know he will deeply be missed by a lot of people he was the kind of man that he liked you he would always watch your back. I'm so sorry Doris I know he was the love of your life. God be with you and your family.

“ Many. many. memories of Jerry. He was one of John's best friends and (I could write a book). John introduced me to Jerry in 1964 and we've been friends ever since. John and I both thought Doris was the perfect match for him and everyone knows that turned out great. Some memorable phrases: JB- "Watch my back" JP " I did I saw right where he hit you". JB,- "Let's race." JP- "OK" (crash) JB- "Why'd you turn" JP- "I was through racing". JP- "Where's my car?" "Call the police". JB"-NO Jer, I'm sure Lou has it." "Get me home". JP- "We just rolled down the hill".
Jerry would remember all of these incidents. I bet he and John are already laughing.
RIP Jerry
