“ Too many memories growing up, sleep overs, pen pal letters, etc.. My most favorite memory with Angie is when her and I did an epic "stake out" just like on TV... we scoped out all the activities around her "crush" and his date for his prom... LOL we followed David and his date all evening and hid... it was so much fun and memories that will last a life time. We may not have seen each other often, but the love and bond was always there. She will be missed by many.. Love you all.
