“ I was lucky enough to work and play with this wonderful lady. We worked together at Principal Financial Group. She and Eldon would host card parties at their home. Anita was so kind to everyone. I was saddened to see the notice of her passing.

“ Phil and I both have loved Anita...and Eldon, too - from the very first time we met them. They became like family to us. When the house went on the market a few years ago, I began praying for the neighbors God would put there, and I can tell you - He gave us the very best. It was precious when we discovered a mutual love for the Lord....family....flowers.....Anita always reminded me of my mom....and that is the highest praise to give someone. Their love and wisdom and kindness have blessed us over and over again. We prayed for God's will to be done, and although it's hard to understand, we know she is with Jesus - and for that - we are thankful!

“ *Romans 8:29 says that those whom God predestined He enabled to show the image of our Lord Jesus Christ. I am a witness that Anita and Eldon lived showing the fruits of the Holy Spirit in their lives, with their easy-going character, full of kindness, big hearts that seek to show love to others and serving in whatever way they can. We have been very blessed to have them as neighbors; and although it has been for a short time, they have left much teaching and example for us to follow. God bless you always. “ *There was no one with a greater servant's heart than Anita. She always brought the food (enough to feed an army), cleaned, took care of the babies, etc. About 5 years ago, her and Eldon babysat my toddler and my 2 nieces for the day. They were spoiled rotten with fun at the farm and a trip to Stockton to go buy toys at the Dollar Store and maybe even to the park. Anita and Eldon both loved us BIG. That love leaves a lasting imprint on my heart. ❤️ We will miss you Anita!*

“ Anita was my dad Bill Hoppers aunt- so my great aunt. My name is Monica, i would describe Anita as a Betty homemaker-Some of my fondest memories about her were simply Sitting in her motorhome in awe of her whipping out dish after dish. She was one of the kindest people i have ever met. I really looked up to her. She will be remembered always and greatly missed.

“ What a joy it was to have the pleasure of knowing Anita. She always had a wonderful smile on her face that was welcoming to all. It was an honor to have worked with her a short time many years ago at the PFG. She was a wonderful and caring person. I'm saddened by her passing. My sympathies and prayers to the entire family.
