To the most beautiful woman who never wanted to hear it, to the strongest woman who probably didn't believe it, to the most loving woman, kind, and humblest woman I have ever known. My mother was the finest example of what unconditional love looks like. Pure in heart, she was and always will be my hero. I love you forever, Mom!!! - Anna Marie

Mom, I miss you so much! Wish you were here so I can just talk to you. You always had an ear for me and you always had a way to make me feel better. I love you so much! it's hard being here on this earth without you and dad in it with me. You were my biggest hero and friend.
