“ *Miss Anne will be missed in our neighborhood! She would always sit out in the garage and have an extra chair or two and a cold drink for whoever would like to come by and chat. Some days, she would make 'blender drinks' for the adults and cupcakes for the kids and we would bring our chairs over and sit and "gab" while they kids played. She loved to "gad about town" with her neighbors and go plant and flower shopping. My whole family will miss her very much!*

“ We loved visiting in the neighborhood with Ann. She had more determination than I had ever seen to live life to the fullest. She loved when we shared vegetables from the garden, but zucchini was her favorite. She could then make zucchini brownies and bring them down to share, they were delicious. She was our little energizer bunny. She will be missed by all in the neighborhood.

“ Anna was loved by many at Grace Baptist. Such a sweet spirit and everyone loved how she spoiled us with her treats at the coffee bar and dinners. I know she is dancing in heaven now, whole again. Prayers for the family that God has HIS arms wrapped around you all.
