*What a wonderful life! I love you Aunt Annie Jean! This video is beautiful. All I can say is, I wish, I wish, I wish, but that is only a dream! But I know she has joined her Mama, Daddy, sister, and many others in heaven! But most of all she is dining with our Father! It comforts me to know she has seen God's face, and has been in the master's presents! I know without a shadow of doubt he said Well Done gal!*

*Dearest family of cousin Annie Jean,  
Thank you for sharing the beautiful photo album of her life as loving mother, wife, sister, and daughter. She and I spent years playing on the family farm, working in tobacco, gathering vegetables from our mothers' gardens, and taking care of our younger siblings. We haven't been able to connect with each other throughout the years because we lived half a continent away from each other, and our lives took different paths. However, I never forgot how sweet her disposition, how kind and generous her spirit was. I've admired her always because I heard such wonderful things about her and how she cared for her family, especially the sacrifices she made for her lovely Chrissy. I am amazed that she kept that radiant smile with those dimples so much like her mother's all her life. God Bless You all as you remember the wonderful memories she has left with you. With deepest sympathy, Cousins Louise Maynor and Sally Locklear in Pembroke, NC*

“ Aunt Annie Jean you where my Idol...One of the Strongest, Kindest, most Humblest Women that I know. I always looked forward to hearing that you where coming home so we could talk about things that would help me better myself to be a Mother of a Special Child. You always had a way of making my day no matter what u said and so many times I remember u saying "It's not gonna be an easy road to follow but it will be worth it in the end"...We Love You and You will forever be missed and Cherished in our Hearts. To Uncle Chuck, Chrissy, Sarah, and Lisa we love you and will continue to Pray to help and guide you through this time of your loss and we are sorry that we couldn't be there with you in this time of need. Love Always, Terri, Tierra, and Equistian Strickland

Thinking of you all on this day. Aunt Annie J you will truly be missed by us all. I've often thought how special you must've been for GOD to pick you to be Uncle Chucks wife, your children's mom, and a grandmother, a sister to your family, aunt, and so many other relationships I'm sure. Most of all I marveled at the love and care that you gave to Chrissy, he knew that she needed someone extra special to care for her and you did, you all did. I feel sure that GOD gave you peace to know that she would continue to be loved and cared for by a family that you've taught well. We'll see again in heaven. May GOD Bless you all and know that you are in our prayers now and always, Love Mitchell, Marsha, Holly and Hillary.
