“ I stole these from your mom’s page. I have so many pictures of you growing up in my photo albums along with a letter and a card you wrote for me when I was having Jessica! I wish you would have stayed longer. My only hope is that you are happy and care free in a place far beyond better than us. I love you April Michelle Boatright-Higgins!!

“ Glitter!!!!!! My sister loved glitter & the color purple! I can't count the times we've watched the movies *jawbreaker*, *rush hour* and *norbit* 😭 how you never missed taking me to a dr appointment when I was pregnant with blaze and we would hit every red light on central ave every time. Dark hair and piercing bright blue eyes. My 1st best friend. You truly had so much love to offer anyone who needed it. ABC sisters that will forever be us. April I'll forever love you.
