“ *Mrs Gentry was Sweet Loving caring Lady. Her involvement in the community was numerous. She would send letters of encouragement to the students on their achievements. My son Mark was one of those students. He was asked to do a Mural for KCK Fire Department when he was 14 . It was hung at headquarters for years and now resides in The KCKFD Museum . Miss Arlie will never be forgotten. Her acts of kindness will Live on. I am sure just about now she has the kitchen in Heaven has been organised and she is teaching all the young ones how to make the cookies Pies cake etc she was known for . She will never be Forgotten*

“ Bill Self and KU basketball lost a loyal fan who rarely missed a game. A sweet lady who remembered your birthday and supported the Turner Bears for as long as I can remember. Her accomplishments, too numerous to mention, will always be reminded with her legacy.

She was a true and talented lady whose amazing energy, at such an advanced age, was not only an inspiration, but helped make Turner a better place. My condolences to her large family.

*My condolences to your family for your loss. What a wonderful person
and humanitarian Arlie was. The world was truly a better place for her
having been here. As recent as a few years ago she would cook, bring
meals, and pick our mom up for luncheons when she could no longer
do those things for herself. Will never forget her kindness and
compassion she showed others. What a jewel...Rock Chalk!*
