“ We pray that Viola and the family might be encouraged by our memory of Bill and the debt we owed him. While we are all indebted to him for his service in the military as he served in Korea for all our rights as individuals to lead free and happy lives, my family will always remember his service to our family and specifically to my late mother Sylvia Burton. Bill was always a great neighbor, but one day stands out among the many. My mother was in the yard late in her life and fell to the ground in hot weather. She was unable to get up and began yelling for help. I'm not sure how long it was, but she later told me she saw Bill come running across the street to her aid. He helped get her up, even though he himself had physical difficulties late in his life. We are so proud to be able to have called him our neighbor and are thankful that he was there that day for my mother.

May the Lord Bless and comfort your hearts as you say farewell to him and may his memory be forever written in our thoughts!

Blessings!
