“ *i only met Art a few years ago, and worked with him a short while at the now closed Indian Springs station, but I remember him as always with a smile on his face, and the ability to put one on mine, no matter my mood. It was a pleasure to know and work with him. i was saddened to hear of his passing, and offer my sympathy and prayers to his family and other friends. I am thankful i got to know such an amazing person, if only for a short season*
