We are going to miss Woody so much words could never explain. He was such a great friend to us all. When I needed something he was always there for me. He had such a great family. I loved seeing him come in the store, he always had my back if something didn't seem right and he wouldn't leave until he knew I was going to be safe. Loved him so much. Rest in peace Woody, my heart is broken knowing I'll never see you walk through the door again. Kathy Crump and Family
