“ Tury and I were in Mr. Barnett's block class at Rosedale Middle School. He was so nice to me, I didn't have many friends my first year, but Arturo made it okay. To his parents, you raised a beautiful son. A son who wasn't afraid to be respectful, sensitive to others needs and always encouraged you to smile when things were going bad. To the entire family, I pray that God gives you strength to conquer the rough times ahead. Just remember and rest on this, you will see him again, as a perfect human being and we'll never have to say goodbye to anyone, ever again! God Bless!

“ Although we live our lives here on earth. When God calls, we rejoice to be with Him again. Its so hard on family and friends, but you truly have a huge support system. lean on each other, Help Diane and Joseph. Even when they say "we're Fine", let them know how much you care. It's really hard when all the friends and family go home and reality sets in. I loved teaching your children in second grade CCD class. Janae always had to help Joseph finish his lesson (a wonderful big sister). They are happy, caring, intelligent children.....a result of wonderful parents. When asked "which Garcia's" I would always say the TALL ones :) Thank you for "Tury's message" love it

“ Before our Senior year at Harmon, we were supposed to be at Marching Band practice, but we skipped it that day to go to the first showing of "Return of the Jedi" at the Glenwood Theater on Metcalf Ave. With us were Steve Young and Carl Quirarte. If I remember right, we didn't get in trouble with Mr. Daniel either. Lucky us! I'll miss you Tury!
