“ I would like to offer my condolences to Audrey's family. My name is Richard Lavin. My mother Betty, along with my aunt Helen Schleicher, my aunt Katherine Stathos, and my dear friend Hazel Aulhouse worked together at the Las Vegas and later worked for Audrey at the LaCocina. These ladies were all very special to me throughout my life. Even I worked for Audrey as a dishwasher. When I was 17 I ran the printing department at Turner High School and Audrey asked me to print the LaCocina Special on a flyer: 2 tacos, 2 enchiladas, 1 tostada. It was a great success and I was thrilled to do it for her. To this day, when I get together with my friends and family, we still talk about the great food and fun we had at the LaCocina. Audrey was a lady that I loved and admired. She will always be remembered in my heart.

“ Aunt Audrey sent me a Christmas Card every year. I usually called her and wished her a Merry Christmas but both our health got so bad we've missed a few years lately. But I'll always remember her laugh and the good food she always brought to us. She's the only Aunt that kept in touch with me and even though all the years we didn't see each other face to face, I'll miss her so much. May God comfort you in your sorrow. Lester and Dorla Lemar

“ I am one of Heleh Schleicher's daughters. My mom worked for Audrey at Las Vegas and La Cocina for years. After mom passed in 1995 I called Audrey to see if she remembered how to make their enchilada gravy. She knew it...but of course in gallons! We tried to break it down but never really got it. Our thoughts and prayers go out to the Custer family. I know she will be missed. The Schleicher Family
