“ *I had Austin in my preschool class at St Benedicts when he was 4 years old. He was the sweetest little guy. He was constantly bringing me a treat in his pocket. He would proudly pull a piece of candy or doughnut out of his pocket and say, "Ms. Tina I brought you something, eat it." I have never forgotten him. My deepest sympathy to his family.*

Its been years since ive seen you both but still feels like just yesterday your mom was calling the house looking for you guys or coming down to see if u were there.
