“ *I am so happy to have worked with Barb. She was always so positive and giggly. Even when things went wrong for her, she always looked at the positive side. She will definitely be missed by all who were lucky enough to have known her.*

“ I met Barbara 46 years ago when I first walked through the doors of SHB!!! She was the receptionist and set the tone for the workday and for visitors!!! Her smile and cheerful personality have been the same ever since!!! May the family find comfort in knowing that Barbara is resting and at peace.
