“ *I don't have to post memories I shared with Barb. Those were for us only. Fifty five years of fun and sharing our innermost thoughts throughout the years.*

I will say that Barbara dearly loved Rory and shared each of his accomplishments with me. She was so proud of him.

Everyone already knows the capacity of Barb's heart for those who needed help and she provided it willingly with no expectation of return. I don't have to write an epistle about her attributes, those of us who knew her, knew her heart.
