“ *Barbara was my eternity friend. She was my sister in spirit and in our hearts. We became friends over 2 decades ago. I said a prayer to God for a deep soul and spiritual friend. One who would not be afraid to tell me the blunt truth and he guided her into my life. I was able to let her know how much she meant to me. how much I cherish her friendship and sisterhood and how much I love her. She will always be my sister in mind, spirit, and in our hearts. She greatly enriched and blessed my life with her friendship. I will miss her forever. Life will never be the same. I was so proud of the accomplishments she achieved. We made a lot of plans for our senior years and now those will have to wait until we meet again in heaven. For now I will for the rest of my time here, I will carry her in my heart and memories. my prayers and condolences to her family. I love you always. We will see each other again.*
