“ *Faith and Edward. I am really sorry to hear about Barb's passing. I have really missed not visiting with her the last few years. She was a very wonderful Mother figure and friend. She helped me through a lot of rough times. God be with you in this time of sorrow. Pamela Drake Francis*

“ *Aunt Barb was a wonderful giving, caring person. When I was in high school I had built a wood frame kayak that needed to be covered in waterproof fabric. My problem was I didn't know how to sew the ends together and she stepped in to help me finish my project with no hesitation. I also loved riding around in her Volkswagen Beetle and playing pool in her basement during the Holidays. You will be missed. Love your nephew Perry*
