“ Barry, I have so many memories of you. You were my big brother wish you could have stuck around with us a little longer. Your restless heart always had you searching for something. My favorite memory of you is at Universal Studios on the 3-D spiderman ride. I got to ride next to you and my sister on the other side. Laughing so hard we were all just a bunch of big kids. Next we went to see "Shreck in 4-D" you were laughing and going right along with the show, itching when it looked like spiders were coming at us. You were also there for me in some of my toughest times of my life. When I found out I couldn't have children you were right there. I remember you squeezing my foot and smiling at me. I miss you so bad in those times. Not to mention I got to be with my sister a lot back in those days. I love you and hope you know even with all your troubles you touched people when they were hurting. I hope your experiencing peace and being held by our Holy, Loving Father! I will see you in the life after. We can laugh again without all the troubles of the world.

“ *Just know now,
he is in a better place,
no more hurt or pain shall he face.
It seems unfair and yes this is true,
but he is in Heaven now
watching over me and you!*

*God has called him home to rest!!
And he's being well taken care of
Because God knows best!*

*They shall hunger no more, neither thirst anymore;
neither shall the sunlight on them, nor any heat.
for the Lamb which is in the midst of the throne
shall feed them, and shall lead them unto living
fountains of water; and God shall wipe out every tear from their
eyes.*

Revelation; 7:16-17

*My heart is sadden by your grief of the loss of your son and brother.
I love you all dearly and will keep you in my prayers.
Your cousin, Diana Gruver .*

“ Barry came into our lifes for such a short time. He was such a free spirit and could be caring and loving and then the restlessness in his life would take over. He was married to our oldest daughter for a few years and could not find inner peace to settle down. Sending our love and prayers to his parents Dan & Laura Jobe.

*Sincerely,
Ronnie & Zella Hilt*

“ Barry was like that older kid brother that was a big pain in the rear, but no matter how mad he made you he always had a way to make you smile and laugh! I have not seen Barry in many years on an intimate level, a quick hello and a small conversation a few years back was my last memory of him! I miss those innocent days when we was kids and just having fun! May you RIP my onrey cousin you will be missed by me and many others. Send all my love to grandma & grandpa!
