“ *Becky was an angel from heaven, sent to brighten the lives of everyone she met. I don't remember ever seeing her when she wasn't smiling or trying to cheer someone up. She will be missed by many. I cherish the years I was able to spend with Becky during our childhood at Turner Grade School and High School, and the years she shared with me after that. We had our own wolf pack with all our girlfriends for several years-Lisa, Sheila, Becky and several more. I will never forget you, Beck, or your beautiful smile. Roxanne*
