“ *Dear Susan, Karen and Family,*

Please accept my deepest sympathy in the loss of your mother. Bernice was such a joy to be around and she was definitely loved by our family, especially my Dad, Paul. She always amazed me with her strength, her words of wisdom, her talent and her beauty, inside and out. There was never a dull moment when she was present and I will always remember her contagious laughter! She loved each of you very much and talked with such pride about her family. I'll keep you all in my prayers as I know you will miss her much.

*With love,
Susan Meyer
(City Susan as Bernice would call me 😊)*
