“ *Thank you for the opportunity to care for Bethel as her hospice nurse. She quickly became more than a patient to me and I will hold her memory forever in my heart. Be assured Bethel left this world knowing she was dearly loved, as the devotion from Tammy and David was ever so apparent.*

“ My grandmother was the strongest person I've ever known and will most likely ever know. She'd been through so much in her long lifetime and but never once blamed any misfortune on anyone or spoke negatively. She was the sweetest and most loving person up until her last days and she will always be missed. I love you Grandma and will never forget every moment we spent together throughout my childhood and as an adult.
