“ *My grandmother was an amazing woman. She taught me so many things growing up. I will forever cherish all the times I spent the night at her house as a child, helping her make breakfast (she taught me how to make pancakes when I was like 7...lol). Her sense of humor & her strong will to not put up with any nonsense! That's where all her children & grandchildren got their sass from. 😊 We will miss you grandma but enjoy your time with all your loved ones as I'm sure they have missed you as much as we will. Until we meet again. 😘❤️*
