“ I only new grandma for a short time. She opened her home to me last Christmas and I have been here since. She is a wonderful woman. And she represented a woman of god that we should all be able to see. Always helping and very kind. I'm honored to be able to have known her while she was still on earth. I'm happy she is in heaven with God now. And can't wait to see her again. I have many memories that are very happy of her
