“ *Betty brought joy, laughter, comfort, and perspective to our family. She was a friend to me and a babysitter turned grandmother to my children. She enriched our lives and warmed our hearts. She was a source of unconditional love. The Gittinger girls (all four of us) have lost a life mentor but gained a heavenly negotiator. Put in a good word for us, Betty! We love you.*

Janet and Jimmy and all, your mom was such a sweet lady, I know you will miss her. Cherish your wonderful memories and pass them on to your kids. She always had a good way of looking at things wise woman. She helped me through some rough things too.
