“ *Dear Skubal Family...What good friends we all have been over the years. Betty & I would visit at times when we met at the store or anywhere in Argentine. All the school years at Argentine gave us chances to know one another. Joni and I were sorry to be away during the services. We were away for a family funeral in California. I appreciate how nice Betty was to me and the projects we worked on for school. I will always have fond memories of Betty. Love...Joann Wisdom.*

“ *Grandma, there are so many memories that I have. So many things that you were there for in my life. When mom and dad told me no as a child, I knew that if I asked you, the answer would always be yes. A Grandma is a person that will always hold a place in your heart forever and you certainly have a big part in mine. I will miss you dearly but I love you forever.*

Tammy.
