“ My dearest Aunt Beverly, I've been missing you so very much. The words I never got to tell you was that I miss you so very much! I hate to admit and I probably shouldn't say this but watch you get carried out of your own house was a teary eyed moment I miss you so much!! Don't forget do a little dance up there for me! I'm still watching! And I wont ever stop. Now Too the people who are kind heartedly reading this, This woman here Beverly Ann Clark will ALWAYS be in my memory no matter the cause. She is my great Aunt but I always called her Aunt Bev as a respectful thing. My name is Kaedence Clabough daughter of Myranda Stawniczy and My grandma is Stacey Kistner and my great grandma who is sister of Beverly Sarah Peirce I'm so happy that they are ALL alive and here TODAY!!! sadly no one in our family will see April Fools Day the same. Cause that was the day she was put in the grave. I was hoping shed pop up out of the casket to say April Fools but instead the last thing in my mind that came from her was "I love you" And I will never ever forget this special, and memorable day..... All right well sorry you had to read so much anyway Have a great amazing day! Stay Strong!!!! BYEEEEEE

“ We are so sorry for the loss of Beverly. Her and my sister Nancy were very close. They were only one month apart. They took piano lessons together and became very close friends. Of course they were both the oldest in their families. So that meant they sort of both went off together when we would get together as kids. Unfortunately Nancy passed about 40 yrs before Beverly but now they can renew their friendship in their heavenly kingdom.
