*I'll never forget at our wedding she said, " about time" there's a photo of me, Christine and Pastor Ryan smiling taken after she said that. I was saddened hearing of her passing. I was in Wichita KS. I stood up for her due to the poor treatment at Advent rehabilitation after her hip surgery. I protested outside that facility and got the attention of very high up people in Dallas Tx. We had a big meeting and Beverly finally got the attention she deserved.
R.I.P. may God have you in his hands and all your pain is gone. Love your ex son in law Tony*
