“ I still can't believe it. I am so sorry for your loss. You are all in my thoughts and praryers. I don't have a single bad memory of Billie. She was always there to offer a warm hug and smile. She and Mark were much like second parents to my brothers and me for pretty much our entire childhood. Billie was the first person to befriend my mother when she moved here from Wisconsin. She was literally an angel on earth to so many. She was such a wonderful mother, friend, grandmother, and wife. There was not a single person who wasn't welcome in her home. You will be deeply missed by so many Billie.

“ *Sitting here reminiscing about Billie, I have nothing but happy memories of her. One of my happier is the day she taught me how to make a shrill whistle through my fingers. it is a "skill" I still use today (and one that I am happy to pass along to future generations), and I always think of her when I use it. I can still remember that day. In all of my memories, she was smiling and happy. She was blessed to have found a loving, devoted husband at a young age, with whom she shared a beautiful life. There is a quote that says something to the effect that by having influenced even one life in a positive way is to have been a success. Billie had a positive influence in many, many lives, young and old. Having done so, she was a tremendous success. She definitely had a positive influence on me. Aunt Della gave her life. Billie made it a beautiful one. With my deepest condolences and love, Your cousin, Kathy Osuna*

“ *Dear Fiedler Family,
Please accept my sincere condolences for your loss. May you find comfort in your loving memories, and in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) While grief at the loss of Billie is great, joy at receiving her back in the resurrection will be greater. (Mark 5;42) With deepest sympathy,*
