“ Lots of fun memories of Uncle Bill especially when our families got together at grandma's house. He always had a funny story about he and daddy when they were growing up. He lived a good and full life and will be missed.

“ We are so sorry to hear of your loss. When Marion taught SS he was always aware when the two of you were present. He enjoyed having discussions with Bill. Both of us will certainly miss his always present smile and positive attitude.

“ During times like this, words and thoughts are hard to express. I just wanted to share some words from a song that seems to fit a time like this:

*"Your Word has been my comfort and a refuge when I am weak, expressing feelings dear to me in words I cannot speak. Please build in the faith and trust that Your Word does impart. And help me always know Your Love is greater than my heart."*

*Psalm 4:1*

*Psalm 119:28*

“ To Uncle Bill's family, I am so sorry to hear of Uncle Bill's passing. I remember fondly many poker games. We also still use his recipe for turkey gravy. Have comfort in knowing that he has "walked THROUGH the valley of the shadow of death" and he will "dwell in the house of the Lord forever". from John and Sheryl Morrison
